Care with Dignity – Choices for Life

At Thompson Community Services we offer highly individualized, solution-focused services for individuals, families and funders.

We know that over time, each individual's needs change and evolve and so offer the planning and choices required to adapt to those changes.

We believe that choices and flexibility are important for all of us - and providing those options are part of providing care with dignity and respect.

PRINCIPLES OF HOME SHARING

Our TCS home sharing services reflect Community Living BC's (CLBC) vision, mission, and values which guide the provision of high quality residential services.

CLBC's Home Sharing Guidelines:

- Support is provided in a manner that respects the individual's right to make choices, lead planning, and direct service
- Services are regularly reviewed and appropriately adjusted to meet the evolving needs and preferences of the individual
- Individuals have the opportunity to participate in valued social roles, experience the rights of citizenship, and contribute to community in a personally meaningful way
- Individuals are treated with dignity and are respected regardless of their religious, cultural, or lifestyle affiliations and traditions
- Individuals have the right to live in a safe environment
- Individuals have the opportunity for personal growth and skill development
- Family, friends, and members of the individual's personal network are welcomed by those providing support and their involvement is encouraged
